

7th Annual DARK CUSTOM Bike???

Black/Carbon Fiber 2:1 Bobcat on this year's **DARK CUSTOM BIKE** (which will be a 2015 FXSB / "Softail Breakout"). I know for a 100% fact that it's going to generate a TON of orders going forward for whatever exhaust ends up going on it!!!... It always does!!

Picture of **JEFF JR** ?(Bike Builder), his Fiance **TIA** (and also one of the DARK CUSTOM Models), & Buffalo Bills Legend **RUBEN BROWN** (and also from the National "Ruben Brown Foundation")
